Wow! We've been inundated with applications for our 'Partners Program' for setting up Foundations.

We're now receiving the video applications and feel so blessed to have the quality of people coming forth, especially those long term Truthology/Freedom Summits people who have been operating their own Foundation for years.

Its not an easy task going through and selecting now, but what a wonderful feeling to have such a great response.

Feeling super blessed and appreciative 🙂

He is crook at the moment and so if you have the capacity to assist, I'm sure it would be greatly appreciated.
Kindly,... See more

We've been talking about this moment in time for well over a decade now.
Many of you have probably tried to introduce your friends to what's really going on with the 'system'.
Many of you have probably been labelled 'Tin foil hat wearers'.
Well....Here it is....and we just hope you're all as prepared as you can be.

Nicky Mih is the co-founder of Free To Shine....an amazing organisation that goes into Cambodia and facilitates the enrolment of children (mostly girls) into school, thus dramatically reducing their risk of being trafficked into the dreadful sex slave industry.

Nicky Mih has worked tirelessly to achieve wonderful things in this much needed area, and I can't wait to read this book.

If you want to find inspiration in yourself, it often helps to read the trials and tribulati... See more
